

Genesis Décor specializes in designing and manufacturing durable, attractive, and easily installed area décor and cabinetry for micro market, office coffee service, and vending areas. We make your installation not only beautiful, but quick and easy because our units are shipped 90% pre-assembled.

Elite Cabinetry – The Details

As our premier line of cabinetry, Elite offers dimensional headers, accent lighting behind the signage, premium slatwall, and lexan stops on the fronts of the shelves.

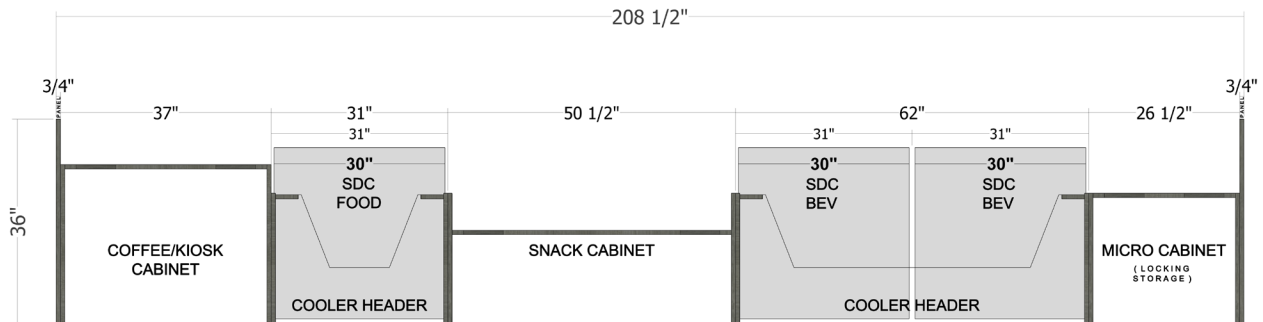

Our Design Services

We provide dimensioned layouts and full-color, photo-like renderings. Provided here is a sample rendering and layout of an Elite market. Send us your line-up and we will create a custom rendering and layout for your market. It's part of what we do for our customers and it costs you nothing.

92"H Cabinetry

About the Cabinetry

Standing a full 92" high, the Elite line of décor offers the look you need for those high-end locations. The core cabinets are self-contained with the headers built in. There are matching headers for over the coolers, providing a unified look across the entire lineup. Lighting behind offset sign panels, slatwall with aluminum inserts for enhanced durability, lexan stops on the fronts of shelves, and an overall look that brings a sense of luxury to almost any space.

Kiosk and Coffee Cabinets

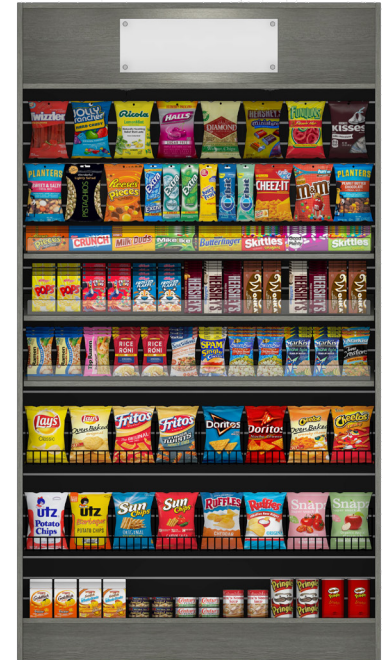

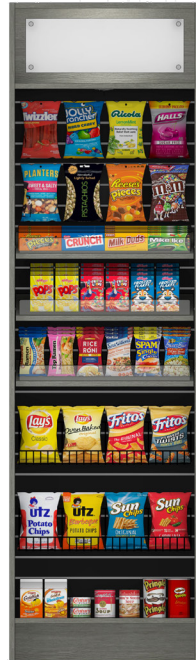

Elite Kiosk/Coffee Cabinets: The standard countertops are at 32"H but may be adjusted. These cabinets are available in open bottom with shelves or locking bottom storage – half locking and half open with storage is available as well. Standard sizes are 37"W for smaller kiosks or coffee machines or 50.5"W with center divider for the larger options. Standard depth is 28"D. Slatwall with aluminum inserts provide options for additional product display.

Elite Kiosk Cabinet for Full-Size Kiosk: Standard size is 28.5"W x 91.5"H x 23"D. This kiosk cabinet includes one loose shelf that is 17"D and may be installed at the height needed.

Snack Cabinets

The Elite snack cabinets are 23”D and are available in three widths: 26.5”W, 38.5”W, and 50.5”W. They come standard with 4” and 12” pegs, two rows of baskets and three 14”D shelves with lexan stops.

Microwave and Trash Units

The microwave units are 23”D and are available in 26.5”W to accommodate two microwaves, and 50.5”W to accommodate four microwaves. Standard or with locking bottom storage, all come with four-compartment black cutlery/condiment bins.

Trash units are available in single-wide (22.5”W x 37”H x 22.125”D) and double-wide (44.25”W x 37”H x 22.125”D), and include the trash liner.
