

Genesis Décor specializes in designing and manufacturing durable, attractive, and easily installed area décor and cabinetry for micro market, office coffee service, and vending areas. We make your installation not only beautiful, but quick and easy because our units are shipped 90% pre-assembled.

Nano Cabinets – The Details

Our Nano cabinets are designed to provide everything needed for a small market in one cabinet with space for the kiosk, impulse items, and snacks. Add a cooler and you are done.

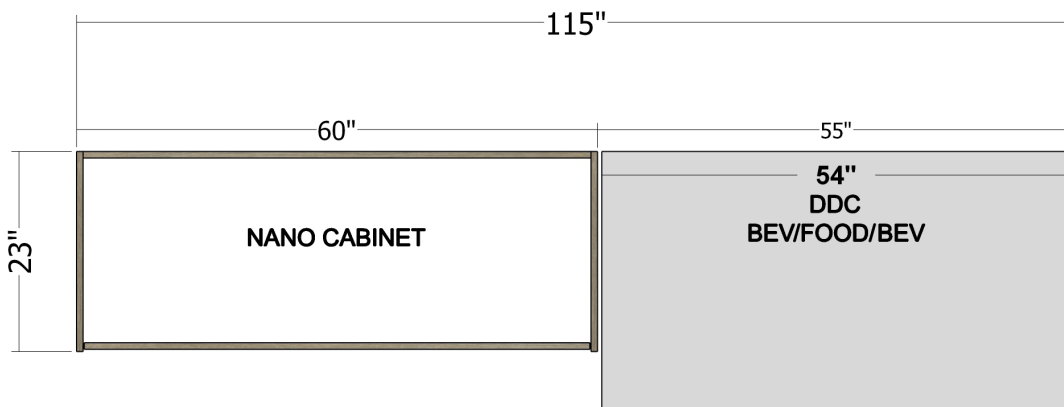

Our Design Services

We provide dimensioned layouts and full-color, photo-like renderings. Provided here is a sample rendering and layout of a small nano market. Send us your line-up and we will create a custom rendering and layout for your market. It's part of what we do for our customers and it costs you nothing.

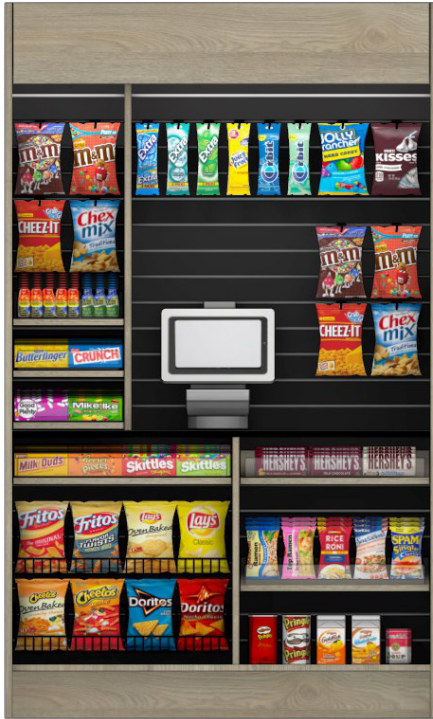

79.5"H Cabinetry

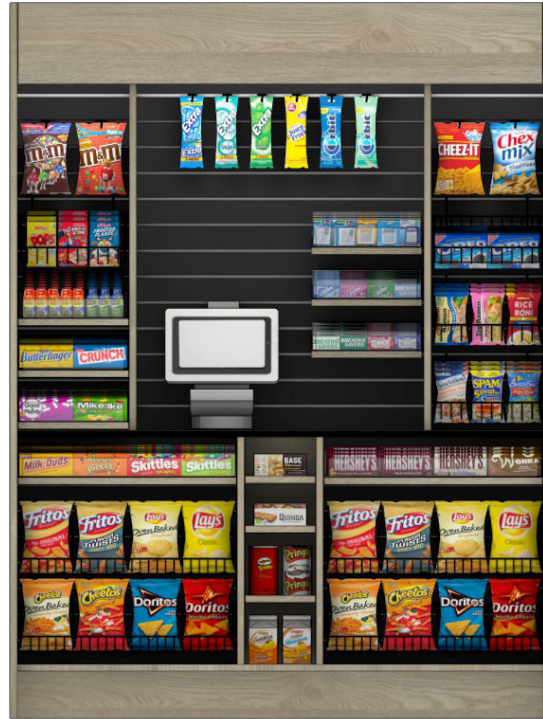

About the Cabinetry

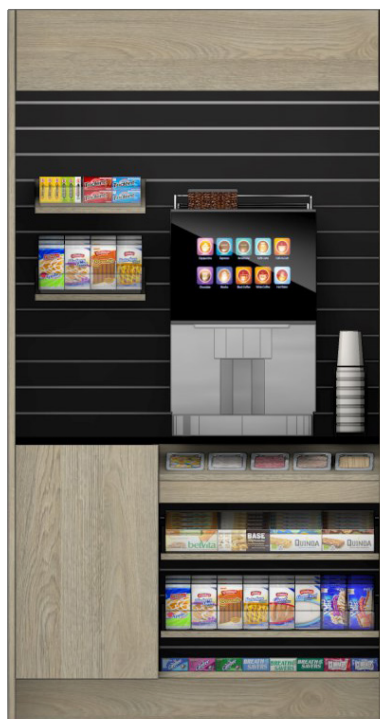

With a height of 79.5" the Nanos are designed to work with your standard coolers to provide an entire market in one cabinet. With upper storage behind the header, high grade slatwall for display, and shelves with lexan, this all-in-one solution hits the mark. Available with or without graphics, and in two widths, 48" and 60", the Nano provides that perfect answer to the small market problem. There is also a matching coffee unit available if needed to complete the line.

Graphic Options

Choose from our graphic options that follow, add a logo, or let us create a custom design just for your markets.

Black Motifs

Our Black Motifs design has been a staple at Genesis Décor for many years. Get this design with the motifs or just white lettering. Many of our cabinets may not be wide enough to accommodate the motifs so the headers may include a mixture of words only and words with motifs.

Chalkboard Motifs

With the chalkboard background print, this design is available with the motifs or just the white chalk-style lettering. Many of our cabinets may not be wide enough to accommodate the motifs so the headers may include a mixture of words only and words with motifs.

Parchment Motifs

With the parchment paper background print, this design is available with the motifs or just the black lettering. Many of our cabinets may not be wide enough to accommodate the motifs so the headers may include a mixture of words only and words with motifs.

Vivids

Vivids graphics offer a fun, colorful and casual feeling. The graphics extend the full width of the headers with the lettering centered.
