

Genesis Décor specializes in designing and manufacturing durable, attractive, and easily installed area décor and cabinetry for micro market, office coffee service, and vending areas. We make your installation not only beautiful, but quick and easy because our units are shipped 90% pre-assembled.

RTS Cabinetry – The Details

With our “Ready to Set” cabinetry, setup doesn’t get any simpler. Save time and maximize product display with this space-saving and versatile line.

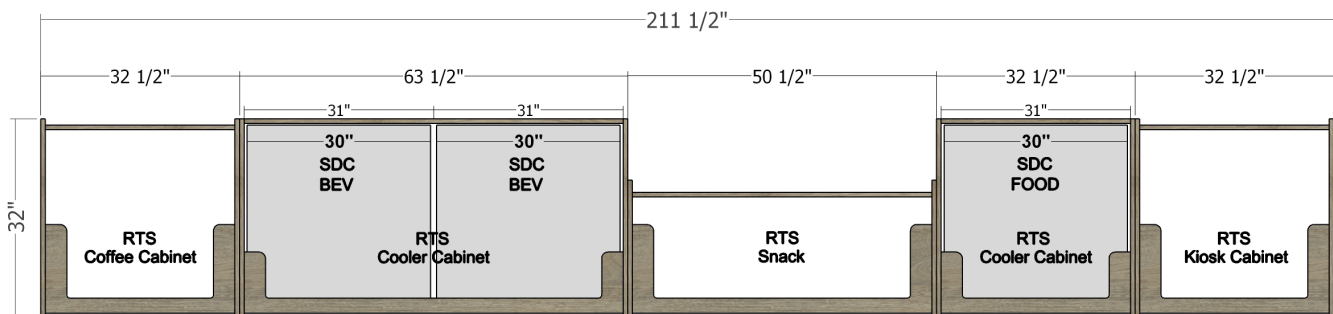

Our Design Services

We provide dimensioned layouts and full-color, photo-like renderings. Provided here is a sample rendering and layout of a RTS market. Send us your line-up and we will create a custom rendering and layout for your market. It's part of what we do for our customers and it costs you nothing.

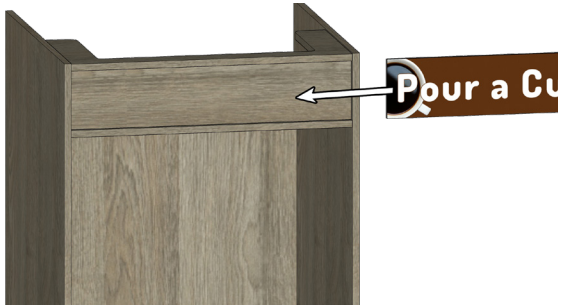

88"H Cabinetry

About the Cabinetry

At 88" tall, this line of cabinets provides the height needed to allow headers over the coolers. This provides a totally enclosed market with full graphic options. The cabinets in this line are fully self-contained with the headers built in. Other than the simple to assemble cooler cabinets, these cabinets come pre-assembled, ready to set and go. And with their modular design, there is a great degree of flexibility in reuse.

The headers faces are set back to allow for the magnetic sign panels, making them easy to replace if needs change.

This line of cabinetry comes standard with LED lighting and lexan-front shelving.

Kiosk and Coffee Cabinets

RTS Kiosk Cabinet for Full-Size Kiosk: This kiosk cabinet is 26.5"W x 88"H x 22"D and includes one adjustable shelf that is 14.5"D.

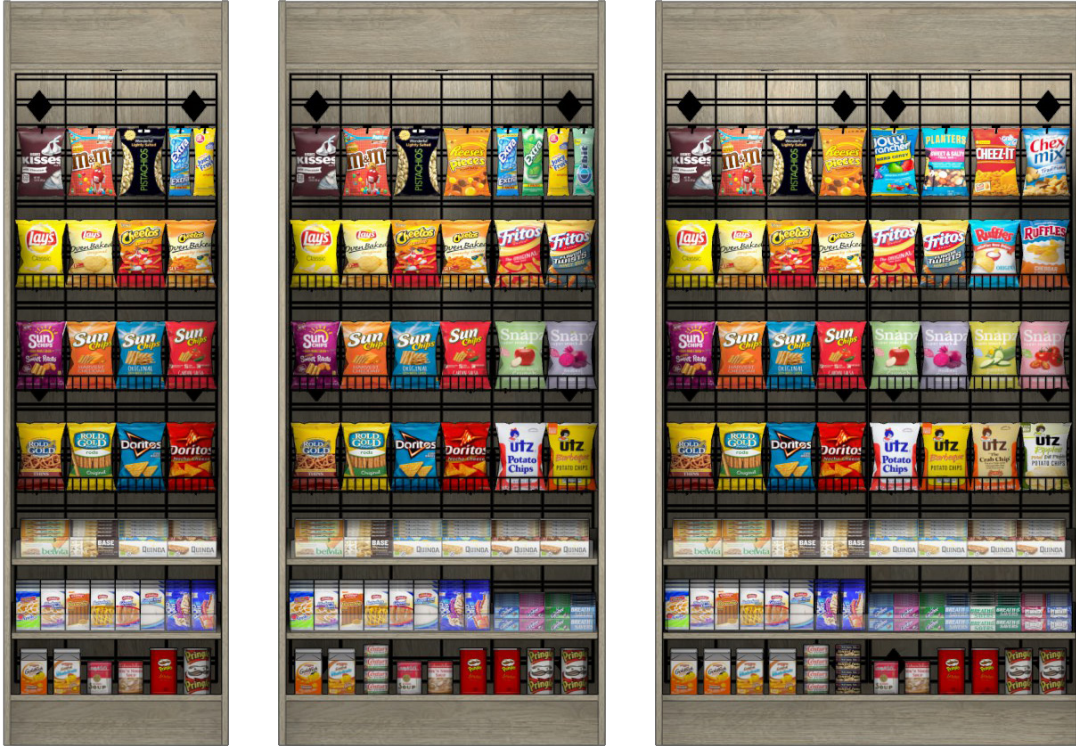

RTS Kiosk/Coffee Cabinets: These cabinets are available in open bottom with shelves or locking bottom storage. The standard size is 32.5"W x 32"D x 88"H and the countertops are at 30"H. The two adjustable shelves feature lexan stops.

A 24"W x 48"H slatgrid and six 12" pegs are included with all the hardware necessary for the customer to install as needed. These cabinets also are available with installed upper slatwall if requested.

Snack Cabinets

The RTS snack cabinets are 88”H x 22”D and are available in three widths: 26.5”W, 38.5”W, and 50.5”W. They come standard with 12” pegs, three rows of baskets and two 16.5”D shelves with lexan fronts. They are available with slatwall instead of slatgrid if requested.

Microwave and Trash Units

The microwave units are 26.5”W x 88”H x 24”D to accommodate two microwaves. Standard or with locking bottom storage, both come with four-compartment black cutlery/condiment bins.

The trash units are available in single-wide (22.5”W x 37”H x 22.125”D) and double-wide (44.25”W x 37”H x 22.125”D), and include the trash liner.

Cooler Cabinets

The RTS cooler cabinets are flat-packed to save on shipping and are easily assembled with quick-locking connectors. They are 88”H x 32”D and available in three standard widths: 32.5”W to accommodate single-door coolers, 56.5W to accommodate double-door coolers, and 63.5”W to accommodate two single-door coolers. These widths may be adjusted as needed.

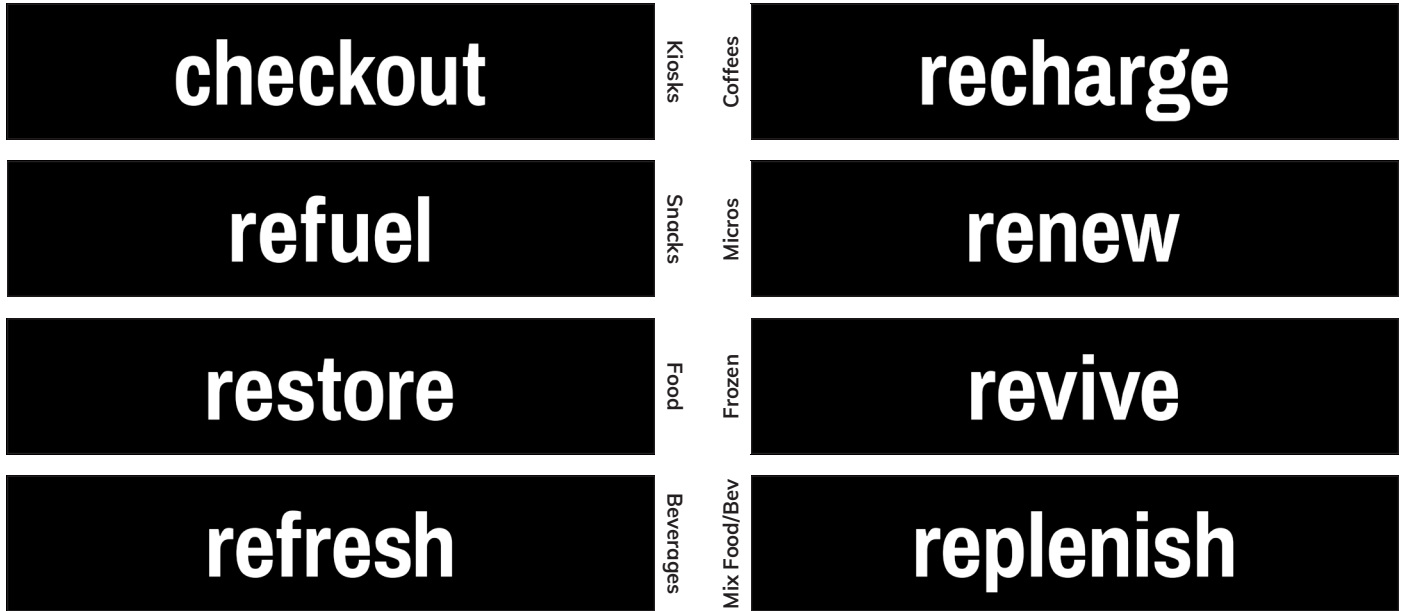

Graphic Options

Choose from our options, add a logo or let us create a custom design just for your markets.

Black

Our Black design has been a staple at Genesis Décor for many years. A black background with white lettering provides a simple, clean look that will go with any surroundings.

Chalkboard

With the chalkboard background and chalk-like lettering, this design is available with the graphic icons and catchy taglines.

Vibrant

Bring a pop of color into your space with these sign options that include a graphic icon and catchy taglines.

Kiosks

Cabinetry Color Options

Most of our millwork is made from thermally fused laminates (TFL) on a particleboard core and our countertops are made with high pressure laminate on plywood. We stock 10 popular colors and two countertop color options.

Deck Out Your Markets!

Genesis Décor offers a variety of options to accessorize micro markets ... from snack displays and microwave/condiment stands, to countertop cubbies, lighting and much more. See our **Market Accessories** flyer or contact your sales representative for details.
