

Genesis Décor specializes in designing and manufacturing durable, attractive, and easily installed area décor and cabinetry for micro market, office coffee service, and vending areas. We make your installation not only beautiful, but quick and easy because our units are shipped 90% pre-assembled.

We are your design department!

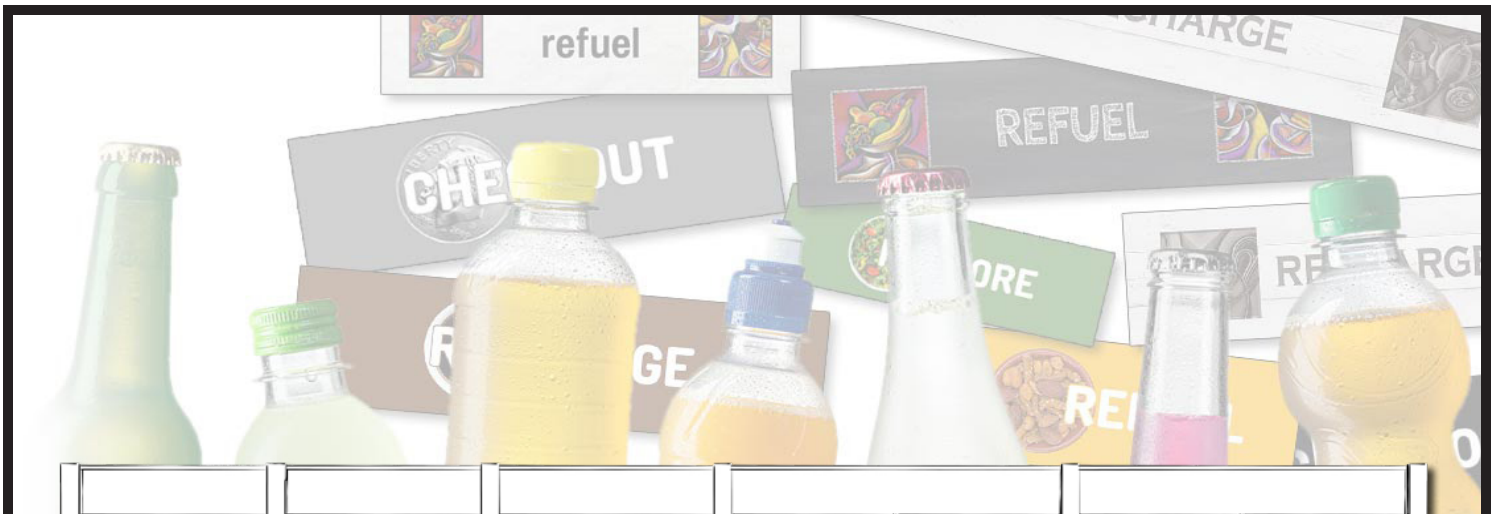

Nothing is more powerful for sharing your concept than a picture. Many times it is difficult for a customer to understand your ideas, or to visualize what you are trying to convey. **We can help solve that!** We provide renderings and dimensioned layouts so you can build your sales pitch and focus on what your customer cares about. Ask us about our graphics options or let us create a custom design just for your markets.

Let us work for you... From concept to final renderings, we are your sales partner. We will guide you through the process, helping you determine what setups would work best as we explore all of the options.

and it costs you nothing!

We provide dimensioned layouts and full-color, photo-like renderings. It's part of what we do for our customers. We understand that we all win when you make a sale. Let us be a partner on your next project. **We will make a difference!**
